

HSV Incorporating HDT OWNERS CLUB OF WA

MOTORSPORT ENTHUSIASTS WITH A FOCUS ON HOLDEN, HSV, HDT BUT ALL MAKES ARE WELCOME

THE HSV OWNERS CLUB OF WESTERN AUSTRALIA was established in 1990 and has a strong membership base of motoring enthusiasts from across the state - with most of them having a passion for Holden cars. We provide opportunities for members to **test their limits** in a **safe, controlled** environment at motorsport events such as sprint circuits, hillclimbs, motorkhanas and drag racing whilst also catering for **social events** including **cruises** and **show 'n' shines**.

Our club is focused on fostering an interest in motorsport in **people of all ages**. We provide training and mentoring to members to assist them in developing **track racing and driving skills**. Some members also regularly compete in motorsport at state and national levels in circuit racing, tarmac rallying and dirt rallying such as Targa West. All our motorsport events culminate towards a **club championship** each year in which all our active members are competitively involved.

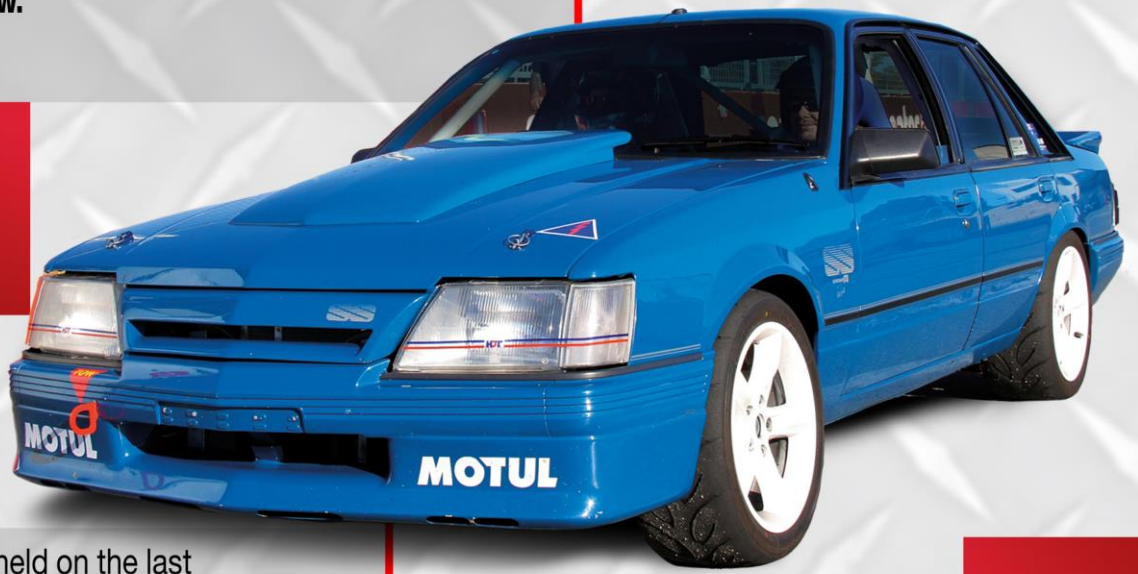

Proudly sponsored by

Members also benefit by being able to access the wealth of **knowledge and experience** that the combined club membership base provides - with some members having lifelong membership. We also produce a monthly magazine (online and in print) which is packed with pictures and useful information events, **results**, reviews, write ups, and **technical know-how**.

**TRACK RACING
SHOW 'N' SHINES
CRUISES
SOCIAL EVENTS**

Club meetings are usually held on the last Tuesday of each month at:

**Wheels World
4 Carbon Court
Osborne Park**

Meetings commence at 7:30pm.

Check the website for any changes.
First timers welcome!
