

Hello, as discussed at an earlier general meeting I have organised a social/cruise day for the club. The extensive Holden collection I was hoping to get us into is having extensions to the building. I have therefore organised to visit the Bailup Ford Farm in Gidgegannup.

This is a private collection only open to clubs (minimum 20 cars @ \$5ea) and all moneys raised as entrance fee are donated to PMH. They have many holds and some other makes but no Holden's. They have a lot of rare Peter Brock memorabilia and also a shearing shed with many displays. There are barbeque facilities so we can have a social barbeque lunch after viewing the exhibits. It is all set amongst a vineyard.

We can meet at Burswood Casino in the car park on the corner of Great Eastern Hwy and the Causeway (Charles Paterson Park) at 10am on the 8<sup>th</sup> August and head up through Midland and regroup at the Caltex on Toodyay Road, then onto the Brock crash site to pay our respects on the way through to the farm.

I had to book a date as Sunday bookings are filling up so I hope this suit most people and we can get together to catch up and include the families.
