PROGRAM

The Official Program Schedule is attached and forms part of these Supplementary Regulations. Listed below is the summary of the program.

GATES OPEN	10.00 am
SCRUTINY	10.30 – 11.30am
TRACK INSPECTION	11.15 – 11.30am
DRIVERS BRIEFING	11.30 – 11.45am
OFFICIALS IN PLACE	11.55am
DRIVER ORIENTATION LAP	12.00pm – 12.15pm
OFFICIAL TIMED RUNS	12.30pm – 4.30pm
EVENT CONCLUDES	approx 4.30pm

The following should be noted regarding the event:

Driver orientation will consist of a sighting run conducted at slow pace and involving all competitors following in single file completing 1 x run of the course.

Official timing will commence after the orientation run. The first run will count only as a practice run. Each competitor shall have a minimum of 4 runs including the practice run. Additional runs will be undertaken if time permits.

The track licence restricts competition to one vehicle at a time during timed runs.

Cars will run in any order they line up. The onus is on each competitor to make sure they have their allocated number of runs.

ENTRIES

Entries open 03/03/10 and will be accepted in order of payment and will close on the 20th March 2010 at 8.30am.

The Entry Fee:

If received by 20/03/10 \$ 100.00

Cheques and money orders are to be made payable to: - HSV Owners Club of WA Inc. Entry forms must be completed in full and accompanied by the Entry Fee and lodged with the Event Secretary.

The event will be limited to 50 starters only. Not more than 2 Entries in any one car will be accepted. The Organisers reserve the right to refuse any entry without assigning any reason therefore in accordance with the provisions of NCR 83.

PARENTAL CONSENT

If any competitor or driver is under 18 years of age, the consent of his/her parent or legal guardian must appear on the entry form.

PERSONS ELIGIBLE & LICENCE REQUIREMENTS

The event shall be open to members of the HSV Owners Club of WA (and day members), who are the holders of at least a Level 2S or 2SJ CAMS Licence or higher.

SCRUTINY

All cars must attend and pass scrutiny prior to the event and must be presented at scrutiny in a "track ready" condition in order to commence timed lap sessions. Scrutiny will take place at the assembling area/pits adjacent to the hill climb starting area.

Current Club Membership Cards and CAMS Level 2S or higher licence must be produced at scrutiny and on request during the event.

DRIVERS BRIEFING

All competitors and drivers must attend the compulsory drivers briefing to be held at the assembly area/pits adjacent to the start line. Any competitor failing to attend or arriving late at the briefing should seek out the Clerk of Course who will consult with the stewards to determine whether they are permitted to run and under what conditions e.g. reduced number of runs. A Drivers Briefing will be held at 11.30am in the start assembly area.

INSURANCE – Combined Public Liability Insurance has been affected by the Organisers. All drivers and officials are covered by the CAMS Motor Sport Personal Accident Insurance Policy. For further details, see Appendix I of the 2009 CAMS Manual of Motor Sport.

Every competitor and driver before taking part in any competition shall sign the Disclaimers and Competitors Statement on the entry form and as required on the day of the event.

Insurance for vehicle damage is not included.

CLASSES, TIMING, RESULTS & TROPHIES

Timing will be by means of computer and/or stopwatches and the results will, if possible, be published on the day and later in the club magazine. The results will be determined by recording all elapsed times, and the winner will have the lowest elapsed time in each Class. The lowest time of the day will be awarded to the lowest time recorded from all classes on the day. Points will be awarded based on the elapsed times of each class. Trophies will be awarded at the discretion of the promoters. Classes are as per the HSV Owners Club rules that is Classes A, B, C, D, Unlimited, Associate

PROTESTS

Any protest must be lodged in accordance with the provisions of Part XII of the NCR's

SUPPLEMENTARY REGULATIONS

ABANDONMENT

The Clerk of Course reserves the right to abandon the event in accordance with the provisions of NCR 59 or to temporarily suspend the event for any reason.

DRIVERS

All competitors and drivers must complete the entry form before being allowed onto the track.

Drivers must wear a minimum of long legged trousers and long sleeved shirts or tops made of a non-flammable material. No person will be allowed to compete wearing clothing of nylon or similar material.

Suitable enclosed footwear is required (no thongs, sandals or high heeled boots/shoes)

Drivers must wear a helmet which complies with AS 1698 or of a standard otherwise approved for use by CAMS (and carries markings to that effect) at all times whilst on the circuit. Helmets should have no scratches or cracks or worn chinstraps and must be approved by the scrutineers before use.

All drivers are to respond to all flag points and obey all directions from officials.

The consumption of alcohol or drugs by drivers and/or pit crew is forbidden whilst the event is in progress. Any person who, in the opinion of the Clerk of Course, is in any way affected by drugs or alcohol may be excluded from the event and asked to leave the circuit.

Failure to follow the direction of any official may render a competitor liable to exclusion from the event.

DRIVER CONDUCT

Any driver who cuts corners and/or dislodges corner markers and/or sprays quantities of dirt and gravel on the racing surface may have five (5) seconds added to the time of the lap/run that the incident takes place on. Furthermore, drivers who persist in such behaviour may be excluded from further competition.

The Clerk of Course and their assistants and other officials appointed at the event by the Clerk of Course shall be a judge of fact of such incidents.

Failure to follow the direction of any official will render a competitor liable to exclusion.

VEHICLE EQUIPMENT & SAFETY

All vehicles must comply with Schedules A and B of General Requirements, and the Standing Regulations for Speed Events of the current CAMS Manual of Motor Sport. The following should be specially noted:

Must be fitted with seat belts to AS E35 or of a type specifically approved for use by CAMS. We recommend a full harness be used.

Must be fitted with a fire extinguisher securely mounted within the cabin and readily accessible to the driver and which complies with AS 1841 and be of at least 900gms capacity. Halon/BFC extinguishers are not permitted. The Chief Scrutineer will be paying special attention to mounting brackets, the method of mounting and to ensure each extinguisher is tagged as required by CAMS. The use of wire ties or taping of the extinguisher to seatbelts is not acceptable.

All hub caps and removable wheel centers must be removed.

All removable objects including jacks, spare wheels, floor mats etc must be removed from the vehicle cabin, glove compartment, console and boot. This must be done prior to scrutiny.

Tyres and Wheels must be in legal roadworthy condition. Retreaded or reconditioned tyres will not be permitted. It is suggested that tyres be inflated to approx 40psi.

Brake pads should be no more than 50% worn, and are preferably of up rated specification.

Fresh brake fluid is used and preferably that the brakes are freshly bled and the fluid is of a higher grade. Vehicles must be adequately muffled to comply with noise restrictions.

Fuel must be in accordance with Schedule G of the current CAMS Manual. Cars must not use any nitrous oxide.

All cars must be effectively muffled.

The battery must be firmly secured.

A Blue triangle (150mm sides) indicating location of the battery or isolation switch must be fitted externally to all vehicles.

All external forward facing glass, except for the windscreen shall be covered by a clear/transparent adhesive film (tape), which shall effectively inhibit broken glass from being spread on the track.

All vehicles must have all seats and door trims installed. Vehicles with roll cages are permitted to enter without the rear seat if the seat cannot be installed in the usual manner. Racecars are exempt from this requirement.

Any car immobilized on the circuit will be removed by the organisers and may be subject to scrutiny (at the discretion of the Clerk of Course) before being allowed back on the circuit.

Passengers in vehicles WILL NOT be allowed except for the driver orientation run. Passengers must sign the appropriate disclaimer, (available from the organisers) before entering the vehicle.

OTHER

The organisers reserve the right to adjust starting times for all events.

The organisers reserve the right to refuse entry to any competitor without giving a reason.

It is the vehicle competitor's responsibility to ensure any other drivers of their vehicle have signed on.

MULTIPLE STARTS

Multiple starts will not be permitted at this event.

CHECK LIST

Be advised there is a separate entry to the Hillclimb venue – not thru the race circuit. Full details will be provided with your entry forms.

ANTI DOPING POLICY

During any event, consumption of alcoholic beverages in the paddock, pits or any other portion of the competition venue under the control of the officials is expressly forbidden until all practice or competition activity is concluded for each day. Any driver or crew member who is found to be affected by alcohol on the day of the event or practice therefore shall not be permitted to participate. Refer NCR 145A of the Current CAMS Manual. In addition, the persons concerned will be subject to the Articles of the Standard Operating Procedure for Alcohol Testing and CAMS Anti-Doping Policy. Competitors, crews

SUPPLEMENTARY REGULATIONS

or officials may be randomly tested for alcohol by a CAMS Accredited Testing Official (CATO) or other drugs at any time during the event(s). The CAMS Anti Doping Policy, as appears in the CAMS Manual of Motor Sport and as amended from time to time, is recognised as an integral component of the NCR and is duly

authorised as such. In any areas where the National Competition Rules and the CAMS Anti Doping Policy conflict, the CAMS Anti Doping Policy will take precedence.
